PUBLIC HEALTH ADVISORY

Please be advised that the Florida Governor's Office has declared a state of emergency due to Novel Coronavirus Disease 2019 (COVID-19). As reported by the Center for Disease Control and World Health Organization, COVID-19 can spread from person-to-person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth. Therefore, merely cleaning facilities, while extremely important and vital in this crisis, may not be enough to stop the spread of this virus. Those with weakened immune systems may want to avoid attending the City's meeting in person in order to avoid a potential exposure to COVID-19.

The City is requesting that all in-person attendees wear a mask and social distance.
